

# Team Involvement in Demonstration

|                      |                                            |
|----------------------|--------------------------------------------|
| <b>Date</b>          | 5 July 2026                                |
| <b>Team ID</b>       | XXXXXX                                     |
| <b>Project Name</b>  | Voice-Based Concept Understanding Analyzer |
| <b>Maximum Marks</b> | 1 Mark                                     |

## Team Involvement in Demonstration

This document records the participation during the project demonstration. Since the Voice- Based Concept Understanding Analyzer was developed individually, all planning, implementation, testing, documentation and presentation activities were performed by a single team member.

| <b>S.No</b> | <b>Team Member Name</b> | <b>Role in Demo</b>           | <b>Section Presented</b>       | <b>Contribution Summary</b>                                                                                                                                     | <b>Participati</b> |
|-------------|-------------------------|-------------------------------|--------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------|
| 1           | G S S Annapurna         | Project Developer & Presenter | Complete Project Demonstration | Introduced the project, explained the system architecture, demonstrated application workflow, AI evaluation, report generation and answered reviewer questions. | Active             |

## Team Coordination Notes

|                                          |                 |
|------------------------------------------|-----------------|
| <b>Aspect</b>                            | <b>Details</b>  |
| <b>Team Member</b>                       | G S S Annapurna |
| <b>Overall Coordination Rating (1-5)</b> | 5 / 5           |

|                                        |                                                                                             |
|----------------------------------------|---------------------------------------------------------------------------------------------|
| <b><i>Any Issues During Demo</i></b>   | No major issues encountered during the demonstration.                                       |
| <b><i>How Issues Were Resolved</i></b> | Minor configuration issues were verified before the demonstration through repeated testing. |
